Christmas tree permits on sale

Contact Clifton Ranger District office

U.S. Forest Service officials announced today that 2,651 Christmas tree permits remain available for people who want to cut their own tree from one of five national forests in Arizona.

The cost for a Christmas tree permit is \$15, and permits are available from 19 commercial vendors across Arizona and from some Forest Service offices. Permits went on sale at some locations Oct. 9, and more than 2,500 have already been sold.

Greenlee County residents should contact the Clifton Ranger District Office at (928) 687-8600 for information on permits and where cutting is permitted. The office is located at Three-Way Junction, 10 miles south of Clifton or 20 miles north of Duncan.

Each permit is for a specified cutting area on a

national forest, and some cutting areas offer a very limited number of permits and may sell out quickly.

Christmas tree permit seekers are encouraged to view the Apache-Sitgreaves National Forests' Web site for the status of remaining permits by vendor and cutting area, and to view maps of the location of each cutting area.

The Web site address is: www.fs.fed.us/r3/azsnl/new/s2010/20100923-christmas-tree-tags.shtml. An alternative is to call the Christmas tree hotline, (602) 225-5258, for more information.

General rules for Christmas tree permits are:

- Each Christmas tree permit is \$15.
- One Christmas tree permit allowed per household - for individual use only.

- Trees must be cut in designated cutting areas.
- Trees may be cut between Nov. 20 and Dec. 24.
- There are no refunds on Christmas tree permits.

In addition to commercial vendor locations, some National Forest offices are selling Christmas tree permits over the counter. For information on which offices are offering over-the-counter Christmas tree permits call one of the following numbers:

- Apache-Sitgreaves National Forests - (928) 333-4301
- Coconino National Forest - (928) 527-3600
- Kaibab National Forest - (928) 635-5600
- Prescott National Forest - (928) 443-8000

Help Cowbelles 'beef up' U.S. troops

Names of locals overseas needed

The Greenlee County Cowbelles has a special project to support troops from Greenlee County who are serving overseas by sending them packages of locally-produced nutritious, tasty beef jerky.

A Cowbelles member reported at a recent meeting that her previous packages have been particularly welcome, as jerky is nonperishable, light and easy to stuff in a pocket or jacket. The Cowbelles unanimously voted to initiate the effort to send Arizona jerky to any Greenlee County active service members now serving in Iraq or Afghanistan.

Beef provides many important proteins and vitamins, helps keep energy up and is very satisfying, unlike many carbony-

drate-intense snack foods.

Each month, the Cowbelles will "pass the cowboy hat" to purchase the jerky and pay for the postage. The name of a Greenlee County armed forces member serving overseas will be drawn at each monthly Cowbelles meeting and will receive a substantial package of jerky.

Cowbelles are asking for help in obtaining names, addresses and deployment dates of any Greenlee County military personnel. The information can be sent to: Suzanne Menges at: bf4dmr@yahoo.com, or called in to Jean Schwemmen at (520) 705-1525.

Additional donations are welcome and may be sent to Daisy Mae Cannon, 1788 Cosper Loop, Duncan, AZ 85534.

Membership in the Cowbelles is open to any women interested in supporting the Arizona beef industry.

Duncan Valley Electric Cooperative reminds you to call your local gas provider if you smell natural gas in or around your home or business. Natural gas is odorless, so the gas supplier adds a chemical called mercaptan. This chemical has an odor similar to rotten eggs. A gas leak could be dangerous. If the odor is strong in your home or business, remember to observe these safety tips:

- Do not light matches
- Do not turn lights on or off
- Do not use the telephone
- Notify everyone in the home or building if possible
- Call the gas company from a nearby home or building
- Do not re-enter the building until the gas company has informed you it is safe

In ordinary life we hardly realize that we receive a great deal more than we give and that it is only with gratitude that life becomes enriched. With sincere thanks for all who helped make my dad's and grandfather's day such a beautiful memory.

Richard Lunt for your continual kindness. To the Duncan, Clifton and Lordsburg Honor Guard who responded with such professionalism and warmth. For Vivian Espinoza honoring us with not 1 but both of her sons who did an outstanding job playing Taps.

PUBLIC NOTICE OF THE APPLICATION OF MORENCI WATER AND ELECTRIC COMPANY FOR AN ADJUSTMENT IN ITS PURCHASED POWER AND FUEL ADJUSTMENT CLAUSE DOCKET NO. E-01049A-10-0449

On November 3, 2010, Morenci Water and Electric Company, ("MWE") filed with the Arizona Corporation Commission an Application to temporarily adjust its Purchased Power and Fuel Adjustment Clause ("PPFAC") rate. Currently, MWE's PPFAC rate is negative \$0.02700 per kilowatt hour (kWh) through January 2011. The PPFAC rate, however, will increase to negative \$0.01900 per kWh starting February 2011. MWE is proposing to decrease the PPFAC rate to negative \$0.05100 going forward. Based on average use of 578 kWh, the customer's bill would reflect a savings of approximately \$18.53 per month starting February 2011 if the Commission approves reducing the PPFAC rate to negative \$0.05100 per kWh versus if it were to revert back to negative \$0.01900.

The application is available for public inspection during regular business hours at the Commission's offices at 1200 West Washington Street, Phoenix, Arizona, 85007, and on the internet via the Commission website (www.azcc.gov) using the eDocket function (or at <http://images.edocket.azcc.gov/docketpdf/0000119329.pdf>).

You may have the right to intervene in the proceeding. Intervention shall be in accordance with A.A.C. R-14-3-105. If you wish to intervene you must file an original and 13 copies of a timely written motion to intervene with the Commission and send a copy of the motion to the Applicant or its counsel and to all parties of record. The motion must, at a minimum, contain the following:

1. Your name, address, and telephone number and the name, address, and telephone number of the proposed intervenor and of any person upon whom service of documents is to be made; if different from the intervenor.
2. A short statement of your interest in the proceeding (e.g. a customer or potential customer of the Applicant, etc.)
3. A statement certifying that you have mailed a copy of the motion to intervene to the Applicant or their counsel and to all parties of record in the case.

If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor. For more information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/interven.pdf>.

The granting of intervention, among other things, entitles a party to request a hearing. If a hearing is ordered, an intervenor is permitted to present sworn evidence at hearing and to cross-examine other witnesses. Failure to intervene, however, will not preclude any interested person or entity from providing public comment on the application. The Commission anticipates considering this matter at a future Open Meeting. Public comment regarding the application will be taken at that time. For a form to use and instructions on how to email comments to the Commission, go to http://www.azcc.gov/divisions/utilities/forms/public_comment.pdf, or call 1-800-222-7000. Written public comments may also be submitted in this case by mailing a letter referencing Docket No. E-01049A-10-0449 to Arizona Corporation Commission, Consumer Services Section, 1200 West Washington Street, Phoenix 85007.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request reasonable accommodations such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator, Shaylin A. Bernal, E-mail SABernal@azcc.gov, voice telephone number (602) 542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
